LIGHTING : TABLE LAMPS

Le Porcellane

FRUTTI GREEN TABLE LAMP

\$2,195

DESCRIPTION

This elegant design strikes with its enchanting personality. Its focal characteristic is the blooming fruit decoration in painted green porcelain that stands out from the dainty golden frame, which rests on a square transparent glass base. The supported E27 max 100W bulb is housed in the pleated fabric lampshade placed above, whose deep hue of green recalls the porcelain components.
