*Daria Petrilli*

## FULL MOON DIGITAL PAINTING

\$1,365

### DESCRIPTION

This stunning limited edition artwork is a digital pictorial piece made by assembling photographs and illustrations. The pop-surrealist artwork is inspired by the 1968 visionary film *The color of the pomegranate*. Highly emotive, it depicts three priestesses intent on celebrating the archaic rite of the celebration of the Full Moon. Fine cotton pictorial canvas with American box frame in basswood.
