FULL MOON LARGE TRAY BY ELISA OSSINO

\$570

DESCRIPTION

Part of a series of trays dedicated to the mesmerizing effect of a full moon in the Lunar Landscape series designed by Elisa Ossino for Paola C, this large tray was entirely crafted of copper and boasts a minimalist silhouette inspired by Bauhaus aesthetic. This elegant piece can be used to serve refreshments on any occasion or to permanently display collectibles in a modern home. It can also be combined with the copper and marble/copper pieces of different sizes for a dynamic and sophisticated look.
