FULL MOON MEDIUM TRAY WITH MARBLE BASE BY ELISA OSSINO

\$650

DESCRIPTION

A stunning and versatile object of functional decor, this tray was designed by Elisa Ossino and boasts a mix of traditional materials and a contemporary silhouette. The result is a sophisticated home decor piece that will effortlessly complement a classic and a modern home and can be used as permanent base for displaying collectibles or as tray on any occasion. Its round base is of Carrara marble, elegantly framed by a copper edge. This piece can be paired with its smaller version for a dynamic and versatile effect.
