Paola C

FULL MOON SMALL TRAY

\$290

DESCRIPTION

This small tray is part of series of pieces in copper and copper/marble that will enliven a modern decor, while also providing a versatile function as bases for permanent displays or to serve refreshments in a contemporary or modern home. This piece was crafted entirely of copper and boasts a minimalist round shape. It was designed by Elisa Ossino for Paola C. and can be combined with the other pieces in the same series for a dynamic display.
