## DESCRIPTION

Exquisitely rendering a crackling fire, this elegant chandelier is a work of art that will produce a magnificent effect even when not lit. It is entirely handmade of mouth-blown Murano glass by the expert artisans at Vetreria Artistica Rosa with red-colored glass elements wrapping the core of the piece, adorned with luminous 26k gold. The 18 LED lights are hidden underneath the structure for a mesmerizing effect. Size, color, and the number of bulbs can be customized by contacting the Concierge.
