\$1,385

DESCRIPTION

Inspired by the architectural philosophy of Italian architect Carlo Scarpa, this luxe, handcrafted sconce will cast a suffused lighting in the surroundings for a flattering ambiance. The cubic, warm-hued linen lampshade is embellished with geometric parchment details covered in gold leaf and treated to achieve a stunning worn-out effect. Suspended from a curved brass rod attached to the wall mount, a square panel covered in two-tone velvet tops the diffuser for increased light shading.
