FUSION RAZOR IN DEER HORN

\$205

## DESCRIPTION

The exquisite handle of this razor is in deer horn. This piece is entirely handmade and unique and, because of that, dimensions can slightly change. The handle is set for Gillette Fusion and Gillette Fusion Proglide razors (but it is possible to mount Flexball or Mach3 upon request). A neodymium magnet positioned inside the handle allows it to be hanged.

## DETAILS & DIMENSIONS

- Material: Horn
- Dimensions (in): 0.59 x 0.59 x 5.91
- Dimensions (cm): 1.5 x 1.5 x 15
