## FUSION TABLE LAMP

\$3,025

### DESCRIPTION

A striking showcase of craftsmanship, this stunning table lamp is the result of traditional techniques of brass fusion carried out by the expert hands of Italian artisans. Topped with a rectangular shade of white pleated fabric, its sculptural silhouette is marked by a geometric design that features various brass elements flowing in the inside of a rectangular frame. A statement piece on an entryway console, desk or living room sideboard, this piece can be customized on request.
