### FUSTO CREAM PEDESTAL

\$2,805

#### DESCRIPTION

An exquisite addition to modern decor, this pedestal will elegantly hold any classical or contemporary object d'art. Entirely fashioned of ultra-high-performance concrete colored in a Cream hue, sandblasted, and hand-treated with water repellent products, it flaunts a simple yet refined silhouette inspired by classical columns. This piece is marked by a slightly oblique stand and a grooved texture lending it a dynamic quality. Eight other colors are available, please ask the Concierge.
