FUSTO POWDER COFFEE TABLE I

\$1,140

DESCRIPTION

Part of a stunning series of modular bookshelves and tables inspired by classical architecture reinterpreted in a modern key, this coffee table showcases a captivating interplay of hard-edge and delicate contrasts. Fashioned of hand-treated and sandblasted ultra-high-performance concrete colored in a powder beige hue, it is composed of a concave-profiled and column-shaped leg marked by a grooved texture, and a large and thin top. Other colors available, please refer to the Concierge for details.
