FUTURISTA PLATE

\$510

DESCRIPTION

Inspired by the magnificent chromatic effects and abstract lines of Umberto Boccioni's paintings, this decorative plate of the Futurismo 3.0 Collection is a captivating masterpiece that will enliven any interior. Handcrafted of ceramic and worked on a lathe by Albissola's master artisans, the decoration is made using a brush to enhance the one-of-a-kind character of this splendid piece. An exclusive housewarming gift or an addition to a personal collection, this plate will infuse contemporary aesthetic into any interior.
