FUTURISTA UMBRELLA STAND

\$1,355

DESCRIPTION

Part of the Futurismo 3.0 Collection of everyday objects interpreted with a contemporary sensibility and marked by an abstract decoration inspired by Futurism paintings, this stunning and colorful umbrella stand will enhance any foyer or office decor. Entirely handcrafted, its ceramic shape was worked on a lathe in a tapered shape and painted by hand with bold brushstrokes of intense colors including: orange, yellow, green, and sand.
