G-GOLD THREADS TABLE LAMP

\$1,790

DESCRIPTION

This stunning table lamp will make a statement, thanks to its exquisite craftsmanship and the striking mix of traditional colors and contemporary textural contrasts. The structure is in white Murano glass whose smooth, sinuous shape is adorned at the top with a series of glass threads. The white color elegantly complements the gold finish of the ornate base and occurs again in the oval lamp shade in white silk on PVC. The bottom edge of the shade is covered in a trim of Swarovski rhinestones.
