GABBIANO CONSOLE/DESK

\$3,630

DESCRIPTION

Gabbiano is an innovative design that embodies the true essence of multi-functionality and versatility. The wall-mounted frame is entirely crafted of walnut with maple profiles, both with a matte finish, which creates an alluring chiaroscuro effect. The essential yet elegant silhouette has a long, rectangular shape that incorporates the lines of a classic shelving unit whose top flips down and extends out to form a functional desk. Size and wood essence can be customized on request, please contact the Concierge for details.
