GABRIELE WINGED OTTOMAN 1941

\$5,250

DESCRIPTION

This striking ottoman will add a luxurious touch to any room in the home and it can be used as a comfortable seat or even a footrest. Its solid poplar wood structure and seat was topped with soft and comfortable padding of different densities before being covered with high-quality leather upholstery. The internal steel springs and crossed straps provide suspension for the cushion. Designed by Antonio Berdondini, year 1941
