## GALILEO ARMCHAIR

\$5,860

### DESCRIPTION

Part of the Galileo collection, this structured armchair boasts distinctive cutout back and armrests, whose elegant and sinuous design complements the Galileo Rectangular Table and the Galileo Small Armchair for a cohesive effect. The structure of this stunning piece was crafted of stained oak and features an enveloping silhouette with tall backrest. The seat's upholstery is in printed fuchsia nubuck. Other coverings are available - please ask the Concierge for details and pricing with different options.
