GALTAJI-MONKEY TEMPLE DESSERT PLATE N. 3

\$70

DESCRIPTION

The majesty of nature rendered in elegant pastel hues is the decorative focal point of this stunning dessert plate from the Galtaji-Monkey Temple Collection. Inspired by the namesake Hindu temple, this series was introduced at Maison&Objet 2019 in Paris along with the dinner plate series. This stunning design exquisitely depicts tall palm trees standing still in the magic morning sky. Showcased with identical plates or combined with others for a dynamic effect, this piece will create a unique ambiance, suitable for both classic and modern interiors.
