GALTAJI-MONKEY TEMPLE LARGE DINNER PLATE N. 3

\$110

DESCRIPTION

This stunning object of functional decor will delight both classic and contemporary homes, creating a unique decoration on any table. Entirely crafted of porcelain, this dinner plate is part of the Galtaji-Monkey Temple Collection and was introduced at Maison&Objet 2019. The central scene depicts a relaxing moment in the life of the monkeys, rendering the animals in precious detail in delicate sepia tones. The rim is a stunning negative print of an exotic landscape, with tall palm trees in white over a dream-like sky in blue and green.
