GARY SIDE TABLE

\$3,950

DESCRIPTION

A sophisticated addition to a living room as a side table or a striking nightstand for a contemporary bedroom, this side table will be a versatile addition to any decor, thanks to the noble materials used and its minimalist, modern design. The structure is in brass and supports a top where the brass forms various mountings for the varnished glass and marble elements. It is possible to request different materials and combinations. Please ask the concierge for details.
