GASTON OTTOMAN

\$4,350

DESCRIPTION

Angular, sober lines embellished with the combination of prized materials are the defining characteristics of this exquisite piece, which is the central, backless module of the Gaston sofa. Suitable as ottoman, it has a wooden frame generously padded with different-density foam and upholstered with velvet in a neutral hue of gray, while the base comprises a luxurious band of braided leather placed right above the metal-coated base showcasing a bright golden finish.
