GEA HIGH ARMCHAIR BY GIOVANNI TOMMASO GARATTONI

\$7,080

DESCRIPTION

A contemporary interpretation of 18th century bergère style, this armchair is pure design and creativity. The legs in painted beech wood are available in various finishes. The body, with its slender and enveloping shape, here in the two-tone version with contrasting stitching, can be upholstered in an array of fabric colors, in different combinations always producing a new look.
