Softhouse

GELSOMINO SOFA

\$8,730

DESCRIPTION

The unique silhouette of this elegant sofa combined with the plush seating offers a striking decorative accent and ample seating in a modern living room. The plywood structure is padded with multi-density polyurethane foam, creating a swooping profile with inviting armrests and backrest. The large seat pillow is padded in a polyurethane core and down feathers for a comfortable sitting experience. The entire piece is upholstered in non-removable gray fabric for a sophisticated visual and textural effect.
