GEMMA TRAY WITH SILVER PLATED HANDLES

\$250

DESCRIPTION

A stunning addition to a contemporary or modern living room, entryway, or dining room, this elegant tray was designed by Dominoni and Quaquaro and crafted of glass with handles in silver-plated metal. The neutral and cool tones of the piece, combined with the round corners of its silhouette create an ethereal effect that will add sophistication to any occasion. This elegant piece can also be used in combination with other trays by the same designer for a striking and dynamic effect.
