GENEA LAZY BLACK ASH LOUNGE CHAIR WITH GRAY UPHOLSTERED SEAT AND BACK

\$1,340

DESCRIPTION

Characterized by elegant, flowing lines of impeccable craftsmanship, the Genea Lazy Lounge Chair is crafted exclusively with sustainable, certified natural materials. Through complex wood-bending techniques, the FSC certified ash wood frame is molded in two intertwined continuous sections: one encompassing the backrest, armrest, and front legs, and the other forming the upper backrest and back legs. This design by Atelier oï is finished with black natural pigments, complementing the gray fabric Eco Label by Kvadrat covering the seat and backrest. Customization available upon request.
