## GENEA WHITE ASH DINING CHAIR WITH GRAY UPHOLSTERED SEAT

\$890

### DESCRIPTION

Part of the Genea Collection, from the Greek word meaning “birth” or “generation”, this exquisite dining armchair is crafted of solid, FSC certified ash wood finished with a white stain using natural, non-toxic pigments. Featuring a comfortable seat upholstered with a refined light gray fabric made of natural fibers from the Eco Label line by Kvadrat, the dynamic, stackable design by Atelier oï is characterized by a hand-bent structure developing through a single continuous line forming the backrest, armrests, front and back legs. Customization is available upon request.
