La Bottega di Verde Ramina

GEOMETRIC BLUE AND RED DECORATIVE TILE

\$115

DESCRIPTION

Showcased on a mantle, bookcase, or entryway console, this stunning majolica tile captivates with its geometric pattern enhanced by hand-painted burgundy details that stands out elegantly on the white glazed background. The decoration is obtained with the "rame a spessore" technique developed in the 1920s in Ascoli Piceno that adds a textural quality to the smooth surface.
