L'Arte della Ceramica by Lisa Cinque

GEOMETRIE MULTICOLOR VASE #1

\$2,415

DESCRIPTION

A showcase of color vibrancy of indisputable artistic value characterizes this cylindrical ceramic vase handcrafted following the slab technique. Different tools are used to create the textural detailing, while the bronze, golden, and silvery reflections lend it a softly lustrous look that amplifies the captivating visual flair of the piece. Any difference from the picture is to be expected and treasured as a proof of its artisan quality.
