## GEORGETTE COBALT POUF

\$2,670

### DESCRIPTION

Designed by Domenico Mula as matching accessory for the Georgette Armchair, this pouf's retro-inspired look will fit elegantly in both classic and modern interiors. The round shape showcases a plush velvet fabric cover in cobalt blue with vertical seams around the base that highlight the sinuous silhouette. A versatile and elegant piece that can be used as a footrest and occasional table in a modern living room or seat for a vanity desk in a bedroom, this pouf has a round, hidden base crafted of wood with a matte or glossy lacquered finish.
