**GHIACCIOLINO SCULPTURE BY GIANFRANCO COLTELLA**

**\$805**

### DESCRIPTION

Reminiscent of small ice cubes that create a striking interplay of lights and transparencies thanks to an LED lighting system, the glass pieces comprising this superlative sculpture are deftly cut, polished, and assembled by hand in a unique pine-shaped design by Gianfranco Coltella. A one-of-a-kind objet d'art, it is signed by the artist to guarantee its authenticity.
