## GHIGO CEILING LAMP

\$260

### DESCRIPTION

A simple design that is unique and ideal for an entryway, kitchen, or study, this ceiling lamp is a sophisticated choice for a modern or industrial interior. Its minimalist brass structure has a satin copper finish and hangs from a metal ceiling rose. The cord is 150 cm long with two whiskey textile wires of .75 mm. Class II IP20. The voltage is 220-240V/50Hz with one included WILMA 4.5W LED dim 2100K 300LM bulb (max 12W LED E27). Other available finishes are satin brass, satin nickel, and brushed bronze. Please contact the Concierge for details. Contract and commercial certifications available upon request.
