## MONOGRAMMA LEATHER NOTEBOOK

\$90

### DESCRIPTION

Elegant notebook in soft black leather treated with the technique of vegetable tanning. It contains ivory pages, hand decorated on the outside with the signature marbling of Florentine bookbinder Giannini. The book can be customized with a variety of monograms and engravings, as shown in the pictures. Please select the “Please contact me to discuss available options” button during the checkout process, in the “Shipping” section, and our concierge team will contact you immediately to customize your book.
