GIGLIO CHINI DECORATIVE PLATE

\$630

DESCRIPTION

Imbuing any classic or traditional decor with a colorful and exquisite decorative accent, this plate can be displayed on a cabinet or wall, creating a superb decoration in an entryway or dining room. This mesmerizing design was created by Lorenza Adami and was inspired by the paintings of her grandfather, Tito Chini. At the center is a lily, symbol of the city of Florence, depicted in turquoise, contrasting with the yellow background and enclosed in a thick, triumphant garland of fruits and flowers. The piece is equipped with a iron hook for easy hanging.
