GIGLIO RUG

\$7,910

DESCRIPTION

A mesmerizing composition, this rug will be a superb statement piece in any living room or entryway. The whimsical interplay of forms and colors, reminiscent of kaleidoscopic shapes, is achieved by hand-knotting wool and bamboo fibers according to local Tibetan tradition. The piece is distinguished for its masterfully executed geometric pattern of alternating bold four-leaf clovers and delicate crosses, rendered in gold on a cobalt-blue background. The entire piece is framed by a solid gold-colored border for a bold finishing touch. Customization available, please contact the concierge.
