GIGLIO SIDEBOARD

\$6,020

DESCRIPTION

This magnificent sideboard will make an elegant statement in any home, thanks to its timeless design and the combination of traditional and modern details. Its rectangular body made of walnut rests on a plinth base and features two doors flanking four central drawers. A moka-finished detail frames the front, which is majestically decorated with a silver sculpture taking up three of the front drawers and part of the doors. This piece is a veritable objet d'art.
