GINEPRO SIDEBOARD

\$4,680

DESCRIPTION

This magnificent sideboard is a timeless piece of contemporary decor that will make a sophisticated statement both in classic and contemporary interiors, thanks to its minimalist silhouette and the combination of both traditional and modern elements. Its wooden structure features two top drawers and two doors. A mocha-finished frame highlights the rectangular shape of the piece resting on a small plinth base. The front panels are masterfully adorned with a silver decoration that makes this a true objet d'art.
