GINEVRA ROUND SIDE TABLE

\$2,040

DESCRIPTION

Part of the 2018 collection that exemplifies Elli Design's creative concept of uncompromising quality, tradition and innovation, this stylish coffee table has a base handcrafted of ash-gray stained oak and a round top of FENIX NTM®, a high-tech material treated with acrylic resins. The minimal design, with its bulbous base, slender leg and round top, provides an elegant and fluid form that gives this table its distinct presence. Elegant and timeless, this coffee table will create an eye-catching focal point in a loft or living room interior, pairing perfectly with minimalist seating furniture.
