**GIÒ SOFA BED**

\$8,060

## DESCRIPTION

Part of the Gio' collection developed by Morelato's internal company research center (linked with the MAAM museum), this sofa is inspired by the clean silhouettes of mid-century design and features a frame in solid wood that is light end elegant and will effortlessly fit in a vintage-inspired or modern décor. One of the armrests contains a functional storage space, while the back cushions are removable to quickly turn this sofa into a bed.
