## DESCRIPTION

Boasting an organic quality that generates dynamism and raw force, the base of this stunning table is crafted entirely of forged steel billets gathered at the center and opening upwards to support the transparent oval top. The steel shows the marks of hand-craftsmanship and is finished with powdered pigments, creating a unique look of strong visual strength in a contemporary or industrial interior. The top measures 100 x 84.5 cm, while the base is 40 cm in diameter and 48 cm high.
