GIOVE FLOOR MIRROR

\$4,170

DESCRIPTION

Sleek lines and functional details make this piece a must-have addition to a bedroom, lounge, or walk-in closet decor. This full-length mirror boasts an oval silhouette that rests atop a round base in Dark Emperador marble. The mirror has a C-shaped champagne brass structure formed by a single rod. This mirror is characterized by its flexible and lightweight design, which rotates freely inside its frame to provide new and different angles with every use. The back is upholstered in soft velvet. Customizations available for the base and finishes, please contact the Concierge.
