GIROTONDO BOWL

\$210

DESCRIPTION

This colorful object of functional decor, this ceramic bowl is crafted on the lathe and finished by hand. The bowl boasts a simple silhouette enriched with three-dimensional motifs depicting children linking arms playing ring-around-the-Rosie ("girotondo" in Italian) on the edge of the piece, complemented with decorations of a colorful cityscape. Fresh and unique, this one-of-a-kind bowl can be used as a vide poche, centerpiece, or serving container, making a statement in a modern decor on any occasion.
