GIUGNO CERAMIC VASE BY GEORGE SOWDEN - POST DESIGN

\$550

DESCRIPTION

This elegant and original ceramic vase designed by industrial designer George Sowden in 2018 is characterized by a tall, truncated-pyramid shape and a distinctive graphic pattern. A superb addition to any modern interior, this piece features a white background enlivened by black crossed lines that evoke the image of a transmission tower. This vase can be arranged with others from the same collection featuring different patterns for a dramatic and statement-making display. Materialism Collection.
