## GIULIA 246 SET OF 6 WATER STEM GLASSES

\$525

### DESCRIPTION

Perfect to accent the table set for elegant dinner with special guests or add a sophisticated tone to a family reunion, this set of six water stem glasses is offered in a graceful tulip shape crafted of fine, transparent crystal. The richly hand-etched geometric design enlivening the bowl's base allows for an optimized grip while producing an intriguing distortion of the liquid within. Also apt for serving red wine.
