GIULIA SWIVEL ARMCHAIR

\$5,580

DESCRIPTION

Crafted of beechwood, this cozy barrel armchair atop a sleek swivel base is the ultimate mid-century accent. Upholstered in a vivid orange fabric, the minimalist profile is enhanced by the arms that hug the comfortable cushioned seat (only the cushion cover is removable). The high-density expanded polyurethane padding and high-resilience polyurethane foam cushion guarantee long-lasting comfort. The swivel base turns 90° left and 90° right with return.
