GIULIETTA CONICAL FLOWER HOLDER

\$590

DESCRIPTION

One of the artist's most poetic creations, this vase represents the act of giving and loving in the handle that is also used as a base. Every vase is unique because it is hand-made and every conic body is matched with its handle for a special union. The combination of two vases will produce the stunning shape of a heart. This exquisite flower vase is made of an unique alloy hand-frosted with a dusting of antioxidant precious metals.
