GIUNGLA TALL VASE

\$2,340

DESCRIPTION

Part of the Giungla ("Jungle") Collection, this exceptional vase is a testament to innovative design vision and traditional craftsmanship. Made of Murano glass, the subtle contour of the vase, its slender neck and wide body are enhanced by the rich color palette: the sinuous and wispy decorations come together to create a vibrant canvas that evokes the graceful body of a tropical bird. Used as a centerpiece on a console, side table, or dining table, this piece will add a note of joy and color to any decor.
