GIUNGLA VASE

\$2,340

DESCRIPTION

From the Giungla ("Jungle") Collection, this colorful vase is a dynamic statement piece that will enliven any minimalist or post-modern interior decor. Fashioned of Murano glass, the vase's narrow base flares out to form a wide mouth with dramatic sides: this bold silhouette enhances the dynamism of the surface design, the wispy and feathered colors blending together to create a rich canvas. The interior of the vase is made of black glass to highlight the vibrant exterior.
