### GJS7 CARPET BY GEORGE J. SOWDEN - POST DESIGN

\$7,060

#### DESCRIPTION

This carpet designed by George J. Sowden is part of a 36-piece series signed by the designer and entirely handmade in Nepal by artisans who still use ancient artisanal methods in working the Tibetan wool, knotting it by hand, dying it by hand, and following every step of production. The warp is in cotton, while the soft Tibetan wool makes the weave. This one-of-a-kind piece of functional design features a series of geometric patterns in green and yellow that will add a touch of color to any home. Handmade by craftsmen in Uma technique. Life's Commodities 2003 Collection.
