## GLAM BURNISHED BRASS TABLE LAMP

\$3,610

### DESCRIPTION

Sophisticated elegance defines the design of this stunning table lamp emitting a soft light. The sculptural silhouette features a brass geometrical structure combining burnished natural finish with a dark burnished one, and has a square white glass shade supporting a max 5W LED light capable of 500mA and 18V, with 900lm and 2700°K. This piece is also available in a version featuring a delabr  brass structure combined with pewter, please ask the Concierge for information.
