GLAM COGNAC CROCODILE MINI TRUNK HANDBAG

\$2,860

DESCRIPTION

A bold accessory for a night out, this splendid mini handbag draws inspiration from the traditional trunk silhouette. Resting on a plywood base, it is fashioned of cognac-colored calf leather showcasing a crocodile skin pattern complemented by the beige suede lining. The interior opens up thanks to a refined lock with key, and is large enough to hold a phone, a wallet, and cards in an extra pocket. This design is completed with a removable shoulder strap and a small Paoli plate. The bag is enriched with gold-finished brass details which are also available in palladium upon request.
